Math 490A — Fall 2019
Informal Course Evaluation

Please answer the following questions and give your answers to Tyler on Tuesday, November 12. Your thoughtful responses will be very helpful to me in making adjustments for the rest of this semester and for future offerings of the course, so thanks for taking the time to fill this out.

1. What do you like most about the course?

2. What would you change about the course?

3. About how much time are you spending on the course outside of class in a “typical” week?
4. What is most helpful in learning the material: the book, the lectures, homework, group work during class, the key ideas handouts and other notes? What is least helpful?

5. Any other comments or suggestions you might have:
